INFORMATION DISCLOSURE STATEMENT

Sir:

Applicants submit this communication in compliance with 37 C.F.R. §§1.56, 1.97 and 1.98. Favorable consideration of the document cited on the attached Form PTO/SB/08A is respectfully requested.

Applicants filed an Information Disclosure Statement ("IDS") and Form PTO/SB/08A on June 8, 2006 concurrently with the referenced application.

On May 25, 2007, the Office issued an Office Action and included a copy of Applicants' Form PTO/SB/08A which was initialed by the Examiner. However, one of the documents listed

on the Form, WO 2004/058754, was crossed out, indicating the Examiner did not consider this document.

Applicants' Agent contacted the Examiner for clarification, and was informed that a copy of WO 2004/058754 was not provided as part of the IDS. However, Applicants did include a copy of this document with their IDS, as confirmed by the PTO's date stamp on Applicants' return receipt included with the original application filing papers. It appears that this document became lost in the PTO at some point during application processing.

The Examiner said that she would consider the document if resubmitted with Applicant's response to the outstanding Office Action. Accordingly, Applicants are resubmitting a duplicate copy of WO 2004/058754 with this IDS, as well as a copy of their return postcard stamped by the PTO.

Applicants request that the Examiner initial the Form PTO/SB/08A attached to the instant IDS confirming that the cited document was considered.

Applicants submit that no fee should be due in connection with this paper as there was no deficiency in their original submission. However, if any fee is required, the Commissioner is authorized to charge such fee to Deposit Account No. 23-1703.

Dated: August 20, 2007

Respectfully submitted,
